## **OCCUPATIONAL HEALTH & SAFETY MANAGEMENT SYSTEM POLICY**

**ISO 9001:2015 ISO 14001:2015 & ISO 45001:2018**

At BRAVO TRADING AND CONTRACTING COMPANY (BTCC), we recognize the paramount importance of health, safety, and welfare for our staff and all individuals affected by our workplace activities. As a registered company in Qatar specializing in General Construction, Industrial works, Swimming Pools, Landscaping, Facility Management, and Trading. We are committed to ensuring a safe and healthy working environment. To achieve this, we have developed an Occupational Health and Safety (OH&S) system that aligns with the requirements of ISO 45001:2018.

The Management of BTCC actively promotes and encourages the participation of every member of the company in the management of OH&S. We strive to achieve and maintain the highest practical standard of accident and ill health prevention through the implementation of this policy.

We acknowledge our responsibility to provide a safe and healthy working environment, prevent injuries and ill health, and safeguard the well-being of all employees, subcontractors, visitors, and other individuals who may be affected by our operations. By endorsing this Occupational Health and Safety Policy, the Management supports the Occupational Health and Safety Management System outlined in the Integrated Management System Manual.

The Management is committed to:

- Providing a framework for establishing OH&S objectives, fulfilling legal requirements and other obligations, and ensuring the continuous improvement of the Integrated Management System.
- Encouraging consultation and active participation of workers in matters related to occupational health and safety.
- Ensuring that all employees are competent to carry out their tasks and providing them with adequate training, information, and resources.
- Allocating sufficient resources to meet the objectives of the Occupational Health and Safety Management System and comply with current applicable legislation.
- Establishing effective mechanisms to communicate the Occupational Health and Safety Management System to employees, ensuring their awareness of their responsibilities and obligations.

The Management maintains systems for the ongoing identification of hazards, assessment of risks, and implementation of necessary control measures. We are committed to engaging only competent subcontractors who meet our safety standards for work undertaken. Furthermore, we maintain records as objective evidence of compliance with the Occupational Health and Safety Management System.

It is the responsibility of all employees, contractors, visitors, and interested parties to actively cooperate, participate, and contribute to the successful implementation of this policy through their actions and suggestions. This Occupational Health and Safety Policy will be communicated to all employees, contractors, visitors, and interested parties.

By adhering to this policy, BTCC aims to create a culture of safety, ensuring the well-being of our workforce and all individuals impacted by our operations.

## ENVIRONMENTAL MANAGEMENT SYSTEM POLICY

ISO 9001:2015 ISO 14001:2015 & ISO 45001:2018

At BRAVO TRADING AND CONTRACTING COMPANY (BTCC), we recognize our legal and moral responsibility to manage our activities in a way that prevents pollution and reduces our impact on the environment. As a registered company in Qatar specializing in General Construction, Industrial Works, Swimming Pool, Landscaping, Facility Management, and Trading. We are committed to continually improving our environmental performance and minimizing any detrimental effects on the environment.

To achieve these goals, we establish and maintain an Environmental Management System that meets the requirements of ISO 14001:2015, as well as any specific environmental requirements set by our clients. We ensure compliance with all applicable legal and other requirements related to our environmental aspects and impacts resulting from our activities and services.

At BTCC, we take proactive measures to prevent pollution, reduce waste, and minimize resource consumption. Environmental considerations are integrated into all our business strategies and initiatives. We extend the responsibility for environmental protection to all our employees, suppliers, and other interested parties involved in our services.

We are dedicated to educating, training, and motivating our employees to carry out their tasks in an environmentally responsible manner. Continuous professional development remains a core focus for us, as we believe it is essential for maintaining high environmental standards.

In line with our commitment to sustainability, we prioritize the reduction, reuse, and recycling of materials whenever practical. We actively encourage and enhance biodiversity and ecology, while also establishing a robust system to control abnormality and emergency situations. Additionally, we take steps to reduce our carbon footprint by implementing energy-saving measures and introducing sustainable solutions across all aspects of our operations and services.

This environmental policy is applicable to all employees and will be communicated throughout the entire organization and to other interested parties. We are committed to reviewing and revising this policy periodically to ensure its continued relevance and effectiveness.

By adhering to this policy, BTCC aims to fulfill its environmental responsibilities, protect the environment, and contribute to a sustainable future.
